HEALTH&FAMILY WELFARE DEPARTMENT**

RESOLUTION

No. HFW-MEI-MISC-0007-2019 - 8967 /H Dated. 25.04.2022

SUBJECT- Guidelines for engagement of Assistant Professor / Associate Professor/ Professor in Government Medical/ Dental Colleges in the State of Odisha on contractual basis.

Whereas, the Government in order to generate more doctors in the state and to address to the dearth of doctors, has established five new Medical Colleges during last five years, and still more Medical Colleges are in pipeline at Keonjhar, Sundargarh, Bhawanipatna, Kandhamal, Jajpur and PG Institute at Bhubaneswar. As the recruitment by the Odisha Public Service Commission takes time to select faculties, engagement by contractual / deputation from OMHS cadre has become inevitable. To accomplish the requirement of adequate number of faculties so as to get the MCI/NMC/DCI approval, active recruitment process is needed to engage the faculties at all levels i.e. Assistant Professor, Associate Professor and Professor. The existing guidelines was notified vide H.& F.W. Department Notification No.5202 dt. 26.2.2019 with addendum vide Letter No.9785 dt. 14.4.2020 and Letter No.11093 dt. 12.4.2021. But, in the meantime, the National Medical Commission (NMC) has come into force, the OMES Rules, 2021 has been notified and the post PG bond service has been given effect to. Hence, there is a need for revision of guidelines to recruit faculties adhering to above Rules/Regulations and to get adequate number of faculties.

Therefore, the Government, after careful consideration, has been pleased to formulate the following guidelines for selection of faculties for Government Medical Colleges, at level of Assistant Professor, Associate Professor and Professor on contractual basis in conformity with the "Teachers Eligibility Qualifications in Medical Institutions Regulations, 2022" of National Medical Commission(NMC) and any modifications notified from time to time.

1. Title & Commencement: The guidelines shall be called the "Guidelines for selection of Assistant Professor, Associate Professor and Professor on contractual basis in the Government Medical / Dental Colleges in State of Odisha".

2. Objectives and Applicability of the Guidelines :

1. Present guidelines are meant to strengthen and streamline the selection and engagement of the Assistant Professor, Associate Professor and Professor on contractual basis in the Government Medical Colleges in the State of Odisha superseding earlier notifications/ resolutions/ instructions etc made by Government in respect to contractual recruitment. These guidelines shall be effective from the date of its notification. It is explicitly made clear that such contractual engagements are purely stop gap measures and confer no right on the selected persons to claim regular appointment to the posts or extension of contractual period of engagement beyond the agreed period.
2. The Government may issue revised circulars/notifications from time to time, if so required.

3. **Selection Authority:**

The Director of Medical Education & Training, Odisha shall be the selecting authority and competent to enter into contract with faculties to be recruited on contract. While engaging Associate Professors and Professors on contract the tentative vacancies against which the eligible candidates in feeder cadre are not available immediately, may be considered. Such list of vacancies shall be obtained from the Government for consideration. However, if required in exigency, the Director of Medical Education & Training may direct the Dean & Principal of a Govt. Medical College to conduct the selection and send the select list along with the proceedings to DMET Odisha. For all such selections by DMET, Odisha or Dean & Principals, the DMET, Odisha shall issue the engagement order and intimate the same for obtaining post facto approval of the Government.

4. **Age Limit:** The upper age limit up to which the selected Assistant Professor, Associate Professor and Professor can work on contractual basis is 70 years. Hence to make it feasible for any selected candidate to work for at least one year, the age of the applicant at the time of application must be less than 69 years. There shall be no further age relaxation in any category of candidates.

5. **Eligibility and Qualifications for Assistant Professor:**

1. The candidate must be a citizen of India.

2. Qualification:

1. The candidates must possess MD/MS/MDS/DNB Degree in the concerned discipline from any NMC/ MCI/ DCI permitted/approved/recognized Medical/Dental College and/or any other academic qualification with such additional teaching experience in the subject as per Teachers Eligibility Qualifications in Medical Institutions Regulations, 2022 of NMC as amended from time to time. Candidates having M.Sc. (medical subjects) in pre and para clinical subjects (approved by NMC/MCI) may be considered if sufficient candidates with PG degree/ DNB are not available and subject to the limitations as may be prescribed by NMC/ MCI from time to time. The candidates having DM/ M.Ch. / DNB or equivalent degree are not required any additional teaching experience.

3. The Medical Graduates must have registered their Medical Qualification at Central/ State Medical /Dental Council. (Permanent Registration)

4. The above qualifications must have been obtained on or before the last date of submission of application/ counselling/ interview.

6. **Eligibility and Qualifications for Associate Professor:**

1. The candidate must be a citizen of India.

2. Qualification:

1. Must have academic qualification as prescribed by MCI/DCI from time to time in force. Teaching experience for such number of years as Assistant Professor in the subject in the recognized Medical College, with minimum of such numbers of research publications, during the tenure of Assistant Professor or any such other eligibility criteria, as may be prescribed by NMC/ MCI/DCI as the case may be from time to time.

2. The requisite experience & other requirements for equating a Consultant or Specialist as "Associate Professor" (after possessing postgraduate medical degree in the subject) shall be as prescribed by NMC/ MCI/DCI from time to time in force.
3. In case of non-medical teacher, the candidate must possess the Ph.D. degree or any other qualification in the concerned subject as may be prescribed by NMC /MCI/DCI as the case may be from time to time.
4. All Qualifications as on the date of counseling shall be considered.

7. Eligibility and Qualifications for Professor:

1. The candidate must be a citizen of India.
2. Qualification:
 1. Must have academic qualification as prescribed by NMC/ MCI/DCI from time to time in force. Teaching experience for such number of years as Associate Professor in the subject from a recognized / permitted / approved Medical College, with minimum of such numbers of research publications during the tenure of Assistant Professor and Associate Professor or any such other eligibility criteria, as may be prescribed by NMC/ MCI/DCI as the case may be from time to time.
 2. The requisite experience & other requirements for equating a Consultant or Specialist as "Professor" (after possessing postgraduate medical degree in the subject) shall be as prescribed by NMC/MCI/DCI from time to time in force.
 3. In case of non-medical teacher, the candidate must possess the Ph.D. Degree or any other qualification in the concerned subject as may be prescribed by NMC/MCI/DCI as the case may be from time to time.
 4. All Qualifications as on the date of counselling shall be considered.

8. Selection Process:

1. Selection shall be done as and when required in view of urgency of NMC/MCI Inspection or work load. DMET shall float advertisement keeping in view of stipulations made in these guidelines.
2. The selection shall be conducted through a committee constituted for the purpose by the DMET Odisha or by the Dean & Principal of the Medical College if permitted by DMET, Odisha.
3. Reservation Policy: As the posts are to be filled up on contractual basis, there shall be no reservation.
4. The selection of Asst. Professor will be strictly on the basis of merit list prepared on basis of career marks as these are purely temporary and tenure based engagements and done only to meet the exigency, on regular recruitment of faculty by the OPSC or on completion of the contractual tenure, whichever is earlier, they shall be disengaged. Weightage for different examinations shall be as under:

HSC/Matriculation-	20% of total percentage of marks secured
Intermediate/+2 Science-	20% of total percentage of marks secured
MBBS/BDS/M.Sc. examination-	60% of total percentage of marks secured

In case of candidates who have passed PG in 2016-17 and afterwards, MBBS/BDS/M.Sc. Examination - 30%, PG-30%

One mark will be deducted from the total Career Mark for each extra attempt taken to pass the examination.

In case of tie it will be resolved as follows:

- i. The candidate securing more mark in MBBS/BDS/ M.Sc. as the case may be shall be placed in higher rank.
- ii. In case of further tie, the elderly candidates shall be placed higher in rank to the younger.

5. The selection of Associate Professor and Professor shall be made on the basis of teaching experience, research publications and age of the candidate. The recommendation of the committee under DMET or concerned Dean & Principal as the case may be shall be final. The selection procedure shall be as per merit list prepared by the score obtained as per following principle.

Teaching experience: 5 marks per year of experience as Asst. Professor/ Assoc. Professor from MCI/NMC/DCI permitted or recognized institutions.

Research Publication: 5 marks per publication; (publication as per norm of NMC shall be considered)

If tie occurs, it will be resolved by seniority in age. The elder will be placed above the younger.

6. A merit list will be prepared and approved by the constituted committee and engagement will be made on the basis of the choice of institution /subject exercised during counselling in online or on personal appearance as may be notified.
7. The Selection Authority at their discretion may short-list the merit list to a reasonable number as per available vacancy.
8. In case the candidate is offered engagement and fails to join within seven days of receipt of intimation, then the offer shall stand forfeited and next candidate in the merit list of the subject may be given the offer.
9. A waiting list will be prepared by the committee on basis of merit which will remain valid for a period of one year from the date of its publication. In case any vacancy exists or arises in the vacancy list notified in the advertisement, may be filled up from the waiting list. If additional vacancies are created which were not notified in the advertisement, a separate selection process shall be conducted for such new vacancies.
10. In case of non-availability of suitable candidates from the waiting list, fresh advertisement shall be published.

9. Terms and Conditions:

1. The engagement shall be purely temporary and on year to year tenure basis and may be for a maximum period of four years subject to satisfactory performance. However the Government reserves the right to terminate the services of the faculty with one month prior notice without assigning any reason.
2. No candidate shall be allowed to continue after the completion of the tenure in order to give scope to other eligible candidates and the relieved candidates may apply for any higher post if eligible. However in exigency of MCI / NMC and if appropriate candidates are not available, such candidates may be allowed to continue even after completion of tenure in exceptional circumstances for the reasons to be recorded in writing.

3. The recruited faculties shall sign an agreement as annexed in Appendix 1.
4. They must follow the job responsibility notified by Government from time to time. They may be terminated for not fulfilling the job responsibilities.
5. In case a regular faculty is appointed in the same post through regular recruitment or through promotion, the contractual employee shall be relieved. However the same employee may be adjusted against another vacant post of similar status or higher in any Govt. Medical College of the State for drawal of salary / remuneration under a principle of global posting i.e. to fill up all the created posts in appropriate category lying vacant in any Govt. Medical College of the State. Such adjusted candidates shall be allowed to work in the station where posted. When such global vacancy is not available, the contractual employee shall be relieved without any further adjustment.
6. The contractual faculties remaining unauthorisedly absent for more than 15 days will be terminated by the appointing authority by serving a notice of 30 days.
7. The faculties whose tenure is terminated for any reason by the appointing authority, will be debarred from being selected for a period of next three years.
8. Performance appraisal certificate is to be prepared by the HOD of the concerned Department and to be submitted to the Dean & Principal of the institution for renewal of their tenure in the post. During the tenure period and upon receipt of any unsatisfactory performance report at any point of time from the concerned authority, the services of the faculties concerned may be terminated by the appointing authority after giving opportunity to be heard. Such decision shall be final and binding.
9. House rent allowance / accommodation: The contractual employee shall be provided with accommodation.

10. Attendance and Leave:

1. Casual leave: Each faculty is eligible for entitlement of casual leave not exceeding 15 days in a financial year and absence of not more than 10 days leave can be availed at a time including Sundays and Holidays. The Head of the Department/ Head of the Institution shall be the sanctioning authority for same.
2. Special leave:
 1. The Dean / Principal are the sanctioning authority. They are eligible for 15 days of Special Leave in one year for attending the Conference / Workshop/ CME / Fellowship etc. for updating knowledge and skill.
 2. They shall submit a request letter through proper channel with a copy of the brochure/ invitation/ registration, at least 15 days prior to the date of the conference. Arrangement shall be made so that the routine work of the department concerned is not hampered.
 3. They may be permitted for attending such event which is at the discretion of the Head of the Institution after assessing the genuineness of the programme and utility of the particular course/ conference for the training purpose.
 4. A faculty is permitted to attend for not more than two such events in an academic year.
 5. No TA/DA will be paid. The leave is granted for the actual days of conference and for journey depending upon the location. They must produce conference attendance certificate within one week from the

date of return, failing which the special casual leave shall be treated as casual leave and in case the casual leave is already exhausted the period of such absence shall be treated as leave without pay.

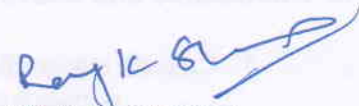

3. Maternity leave / Medical leave:

1. The faculty will be eligible for "leave under exceptional circumstances", supported by medical certificate from the competent authority and recommended by the Head of the Department and sanctioned by the Dean & Principal /Head of the Institution.
2. In case the leave period exceeds 15 days, the same shall be sanctioned by DMET, Odisha.

11. Miscellaneous:

1. No contractual faculty shall leave the country without prior sanction by the Dean & Principal of the institute. Any violation will be taken seriously and may even warrant termination of appointment.
2. Private practice: No contractual faculty shall refer patients under their care to outside institution without the approval of the institutional referral committee. Private practice beyond the duty hours are permissible.
3. Transfer from one institution to another may be allowed in exigency of public service, placing both spouse at one station, or on hard compassionate grounds.
4. The Government reserves the right to utilise the services of the contractual faculties as per need in exigency of public service like natural calamities, epidemic, pandemic etc and deploy suitably.

SUBJECT- Guidelines for engagement of Junior Residents (JR) / Senior Residents (SR) / Tutors in Government Medical/ Dental Colleges in the State of Odisha.

In supersession of this Department resolution No. HFW-MEI-SR-0002-18/H / 31001-Dt. 13.12.2018, in order to make the guidelines for engagement of Junior Residents / Senior Residents and Tutors in Government Medical /Dental Colleges of the State of Odisha, in conformity with the "Minimum Qualifications for Teachers in Medical Institutions Regulations, 1998" of Medical Council of India notified from time to time, the following guidelines are formulated. This will be effective from the date of publication in the Odisha Gazette. All previous guidelines, executive instructions issued earlier in this context are hereby superseded

1. **Title & Commencement:** The guidelines shall be called the "Guidelines for engagement of Junior Residents / Senior Residents / Tutors in the Government Medical / Dental Colleges of State of Odisha".
2. **Introduction to the Guidelines:**
 - 2.1 Services of Junior Resident (JR), Senior Resident (SR) and Tutor in the field of patient care and for medical education are required as per the Medical Council of India (MCI) guidelines
 - 2.2 Keeping in view of the requirement of the services of JR / SR /Tutor, Government of Odisha created many posts of JR/ SR /Tutor in different Medical Colleges and contemplating enhancement of the sanctioned post.
 - 2.3 With this it was strongly felt that there has to be standard guidelines for engagement of JR/ SR/Tutor in all Government Medical Colleges of the State.
3. **Objective and Applicability of the Guidelines :**
 - 3.1 Present guidelines are meant to strengthen and streamline the selection and engagement of the JR / SR and Tutor in the Government Medical Colleges of the State of Odisha and would be applicable for all selection process and engagement

of JR/SR/Tutor as per the sanctioned strength of Government Medical Colleges of the State superseding earlier notifications made by Government in this regard.

3.2 Government may issue revised circulars/notifications from time to time, if so required, after careful examination of the outcome of these guidelines.

4. Empowered Authority for such engagement:

The Director Medical Education & Training, Odisha will be the engaging authority for the JR/SR/Tutor. However if required in exigency the Director Medical Education & Training may direct the Dean & Principal of a Govt. **JOB RESPONSIBILITY OF
JUNIOR RESIDENTS (JR) & SENIOR RESIDENTS (SR) / TUTORS**

A. INTRODUCTION

Duties and responsibilities of Senior Residents shall be fixed from time to time by Government, if necessary and is subject to modification/addition.

B. WHO IS A RESIDENT / TUTOR

A resident means a Junior Resident or Senior Resident. All Post graduate students are Academic Junior Residents and candidates without Post Graduation are Non Academic Junior Residents. All superspecialty students are Academic Senior Residents and residents working after post graduation are Non-Academic Senior Residents. Non academic Residents in pre and para clinical departments are designated as Tutors.

Residency period provides a unique opportunity to the medical students to gain expertise in clinical workmanship and develop intimacy with the patient. It is a phase of transition from a mature student to a fully competent and confident faculty. This is the phase of accumulating clinical knowledge, acquiring skills, leadership, communication and counselling skills, developing positive attitude in clinical work, with confidence, competence and empathy to patients with best interpersonal relations in the complex hospital environment. It helps the Residents to understand the intricacies of health care system and national health programme. The Residency programme consists of Senior Residents and Junior residents.

C. THE BASIC RESPONSIBILITIES OF A RESIDENT

Patients entrust doctors with their lives and health. To justify that trust, a doctor must show respect for human life. The basic principles that must be followed are:

1. To take care of the patient as the first concern.
2. Protection and promotion of the health of patients and the public
3. Provision of a good standard of practice and care
4. To keep the professional knowledge and skills up to date
5. To recognise and work within the limits of the competence of self
6. To work with colleagues in the ways that is best for patients' interests
7. To treat patients as individuals and respect their dignity, and to treat patients politely and considerately.
8. To respect patients' right to confidentiality
9. To work in partnership with patients
10. To listen to patients and respond to their concerns and preferences
11. To give patients the information they want or need in a way they can understand
12. To respect patients' right to reach decisions about their treatment and care
13. To support patients in caring for themselves to improve and maintain their health
14. To be honest and open and act with integrity
15. To act without delay if you have good reason to believe that you or a colleague may be putting patients at risk
16. Never discriminate unfairly against patients or colleagues
17. Never abuse patients' trust i or the public's trust in the Profession.

18. To remain prepared to justify the decisions and actions as you are personally accountable for your professional practice.
19. To take care so that patients do not suffer from any physical, financial, psychological harassment by any of your act.
20. Must remember that avoidable mistakes are indefensible.

D. GENERAL DUTIES OF THE RESIDENT

The primary function of patient care lies with the doctors ranging from the Senior Faculty to the Senior and Junior Residents. After the patients are advised admission by the treating doctors, the patient reaches the ward and is admitted to the allotted bed in the ward. The Junior Residents in the ward work up the case and discuss their findings with the Senior Residents. After the final consultation with the faculty, the patient is advised investigations and treatment is commenced. The Resident in charge of a patient is directly responsible for the clinical care of the patient, but he/she would be under the supervision of his/her faculty or Head of the Department. He/ she shall follow-up patients under his/her care until the patient is discharged. The General Duties in brief are:
