After selection, the selected doctors will be deputed to the new Medical Colleges and are to be relieved from their present place of posting in order to join in their new place of posting.

Hence it is decided that the selected doctors to whom the appointment order is issued by DMET (O) or the Dean & Principal of the new Govt. Medical Colleges are deemed to be relieved from their present place of posting, if, the doctors concerned have joined under your administrative control.

You are therefore requested to issue formal relieve order w.e.f their date of appointment on production of such appointment order by the selected doctors.
