bhp order 2/11/12  
5/11/12

Government of Odisha  
Health & Family Welfare Department

ORDER

No. 28120 /H., Date: 31-10-12  
Sch-I-RNTCP-233/12

In order to ensure proper TB diagnosis and case management, reduce TB transmission and address the problems of emergence and spread of Drug Resistant-TB, it is essential to have complete information of all TB cases.

For the purpose of case notification, a TB case is defined as follows;

- A patient diagnosed with at least one sputum specimen positive for acid fast bacilli, or Culture-positive for Mycobacterium tuberculosis, or RNTCP endorsed Rapid Diagnostic molecular test positive for tuberculosis.

OR

- A patient diagnosed clinically as a case of tuberculosis, without microbiologic confirmation, and initiated on anti-TB drugs.

Therefore, the healthcare providers shall notify every TB case to local authorities i.e. District Health Officer/Chief Medical Officer of a district and Municipal Health Officer of a Municipal Corporation/Municipality every month in a given format.

For the purpose of this notification, healthcare providers will include clinical establishments run or managed by the Government (including local authorities), private or NGO sectors and/or individual practitioners.
