

ODISHA JOINT ENTRANCE EXAMINATION-2023 (OJEE-2023)

No:- OJEE/489

Date:20-09-2023

NOTICE FOR UPGRADATION IN MBBS/BDS

It is to inform all the concerned that after final reporting on 18-09-2023, it is observed that few students have not reported from the newly allotted candidates in the 3rd round allotment by creating vacancy in some Govt and Pvt Medical colleges. As it has been already mentioned that no withdrawal and resignation will be allowed after 3round reporting, hence already reported candidates will not be allowed to participate in spot/mop_up round counselling. In view of the above situation and to give justice to the merit, it has been decided to make one upgradation round allotment by taking all the participated 3rd round candidates except candidates already taken admission in MCC counselling and denied for reporting in 3rd round.

The detail allotment has been given in the candidate's login portal. Candidates newly allotted have to complete the reporting process by 21-09-2023, 5PM. Similarly, Candidates upgraded have to report at OJEE Cell Gandmunda, Bhubaneswar with new Bond on 21-09-2023 by 5PM.
